WAIKARI SCHOOL NEWS – PRINCIPAL

Kia ora everyone,

We have a fantastic day ahead of us with the conclusion and celebration of our Term 1 theme: 'Change around our Community', in the form of our full school car rally. A big thank you to everybody who provided a place of interest on the rally and to all of the Parents/ Caregivers who provided transport. Also a huge paki paki to FAST for the post event BBQ!

Congratulations to our Canterbury Swimming Championship contingent who attended the meet in Christchurch yesterday. As yet we don't have confirmed results but we will share these with you as soon as they become available.

Next Thursday, your child/ren's Portfolio will be sent home and you will be able to celebrate their success and progress together over the holidays. In week 2 next term, these will form the basis of our 3 way conferences/ parent interviews.

Ka kite ano

Dental Care for Children

We have enjoyed being at your school in our Mobile Dental Clinic and it's been great seeing the children. If you received a Care Plan and an appointment card informing you that your child requires further dental care at the Hurunui College Dental Clinic, please mark that date on your calendar now. If you want to change the appointment, please phone us on 314 4681 ASAP, as appointment times are limited. Some children received a Care Plan letter but not an appointment card. We will contact these families after the holidays to make an appointment at Hurunui College Dental Clinic. We look forward to our next visit to your school.

Thank you: A huge thank you to Ian and Mary Thornley for mowing the reserve for the cricket game, it was very much appreciated. From the Amuri Cricket Team.

Parents: Just think how good it would be if your kids cooked you dinner for a week!

Are you looking for something fun and innovative to do with your kids these holidays?

Let us help teach your kids to cook and give them food skills for life time – a child that can cook is much more likely to make good food choices.

We have two options for you:

1. You can be the tutor (in your home, using your food, using the daily online contact, competitions and interaction). We will help you motivate and inspire your child to cook dinner for the week.
2. You find a student tutor and you can relax while the student tutor acts as role model to your kids...you can come home to a cooked dinner each day!

The 'It's My Turn To Cook Tonight' Bosh School Holiday Cooking Programme runs April 16th – 20th. It costs \$45 or \$25 to register and you get amazing step-by-step resources including books, videos clips and tutor sheets.
